SCIM Service API

1.0.0 OAS 3.1

/v3/api-docs

RFC 7643 / 7644 compliant identity provisioning service with an IGA access certification engine. Supports full User and Group CRUD, JSON Patch (RFC 6902), and the RFC 7644 §3.7 Bulk endpoint. All SCIM endpoints are secured with OAuth 2.0 Bearer JWT (HMAC-SHA256).
